This Date in History

Life and Character-Reading.
September 22.

The governing planet of this date is Mercury, the winged God, and the governing sign is Virgo, the sign of the Virgin. The birthstone is a pink-jasper.

People of this date are apt to pick everything and everybody to pieces and because of their analytical tendencies are a great discouragement to others, especially those who are not talented in giving reason for the faith that is in them. Air and Fire people are often very much irritated with Virgo born, and sometimes Virgo people do not get along together for the same reason.

Children born on this date should be given a small garden to plant, to watch and to attend to the growing. Give them music as a recreation and a promoter of harmony.

Bargains in real estate, or in the renting of apartments and houses will be a feature of the Want Ads for the next two weeks. Watch them daily.

IMPORTANT NOTICE
The West Virginian will not be responsible for more than one incorrect insertion of any advertisement ordered for more than one time.
All cancellations on contracts and until for orders must be in writing addressed to the Want-Ad Department. This is for your protection.
